
CO.FRU.LLEIDA

Fruit Import - Export

Company

- Founded in 2002
- Based in Lleida, Spain
- The company founders are Julio, from Alcarras (Lleida) and Francesca from Trento (Italia). They contacted the clients and suppliers in Spain and Italy
- Cofrulleida has achieved an excellent reputation, working for recognized firms in Spain and the rest of Europe

Objectives

- Find the best providers in Lleida and supply their fruit to the European clients
- Delivery high **quality** products - packed in accordance with the modern requirements
- Choose the best fruit every day controlling its homogeneity and high quality during the whole season
- Make sure that fruits taste **fresh**, as if they had only just been picked

Activities

- Negotiate with farmers and fruit cooperatives
 - Offer a wide variety of seasonal products for our customers
 - **Quality control** in all the products
 - Marketing and Sales
-

Supply possibilities

- In Lleida, under the excellent natural conditions, there are all possibilities for the production of high quality fruit such as nectarines, peaches and pears
- Each one of our **providers would bill directly the client**
- We have the following certificates: **IFS, BRC, Global GAP**

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

Williams									Green	Green	Green	Green

Nectarines and Peaches

- Specialized in supplying packed nectarines and peaches from the same farmers who have their own production
- Product **homogeneity** is guaranteed as the growers have in between 60 to 100 hectares of fruit each one
- Offering nectarines and peaches of all calibres and varieties. Small sizes packed in baskets (cal. C and B), medium sizes packed in boxes (cal. A) and big sizes also packed in boxes (cal. AA and AAA)

Nectarines and Peaches

- To meet the growing demand for this Vitamin C-rich favourite, the nectarines come in a full selection of varieties
- The fruit is dependent to **strict quality control**, carried out during its several stages of production and export procedures. These methods assure the consumer a healthy, safe and delicious product.

Nectarines and Peaches

Varieties

Nectarines: honey blaze, diamond ray, elegant lady, honey royal, zee-gloo, august fire, honey gloo, red gym, honey cascade, red fair, september red

Peaches: early reach, ruby reach, royal gim, royal glory, crimpson lady, rome star, sweet dream, ryan sun, tardibelle

Nectarines and Peaches

Paraguayo

- Flattened peach and white flesh
- Varieties: platibell, ufo3, ufo4, flatpretty, platifun and sweetcap

Platerina

- Same shape as the paraguayano
- Skin is like the nectarine
- Sweet fruit (about 15 degrees brix), with a good scent and taste very close to the paraguayano. Its texture is crunchy when you bite and high water content makes it juicy.
- Varieties: delfin, mesembrine, platinet3, subirana and platimoon

Factory

Pears

- One of our main products
- Working with private growers or cooperatives which are only specialized in pears
- Supplying to supermarkets
- Packed in boxes or baskets of 1 kg

Pears

Varieties

Abate, blanquilla, limonera, williams, ercolini

- Winter time: Conference
- Summer time: Limonera, Williams, Abate and Barlett
